**Thank God nobody's talking about Brexit any more, eh? Strewth – 2017 was full of gab about how it was going and whether it was really a good idea or not and, well, that all seems to have settled down a good bit now, doesn't it? Oh, hang on though, maybe it's just that I haven't actually watched the news for the last few days... still, who needs current affairs when you've got another clutch of *Mayfair* lovelies to keep you company!?**

## FLOWER POWER

Dear *Mayfair*,
I've worked as a florist for five years now, and although my mates still constantly take the piss, I love my job. I enjoy working with flowers, I like serving customers and best of all, I get to go out and make deliveries. Not only does this get me out of the shop but, believe it or not, it also gets me laid! It sounds like bullshit, but I swear I have three regular customers who order flowers and always request that I deliver them personally. And you can guess the rest…

The first time it ever happened was with Liza, a forty-something middle-class writer on the outskirts of town and I was shocked. Not that I didn't fuck her when she came on to me, of course – that would have been rude!

It was a delivery like any other in the six months since I started working there. It was the second time I'd had an order for a large bouquet for this address, but I couldn't recall the owner and this time it came with specific instructions for delivery: 'Please ring the front doorbell, wait for 30 seconds and then immediately bring the package around to the back door.'

I was used to having particular details given for a job, but it was a bit unusual to have such precise instructions and they made me grin to myself, wondering what sort of Hyacinth Bucket character ordered them. Nevertheless, I did as I was told and rang the bell at the front porch, obediently counted to 30 and headed through the back gate and towards the back patio doors. I was surprised to see a note stuck to the inside of the glass door: 'Please bring the bouquet inside to the lounge area. Thank you.'

I knocked, slid open the door and called out, "Hello? Flower delivery!"

"In here!" A tinkling-sounding voice trilled from the front of the house. I tentatively went in, pulling the door closed behind me and coughed to announce my presence as I entered the living room. I'm not sure what I was expecting, but it certainly wasn't what I found – a middle-aged brunette in a flimsy pink nightie-thing half-lying across a purple velvet sofa! I was gobsmacked and my jaw practically hit the floor! Seriously, it was like something straight out of a porno! I stood there, frozen to the spot, not unlike a rabbit caught in headlights.

Liza laughed, a light girlie giggle that sounded like it came from someone many years her junior. Telling me to put the flowers on the sideboard, she fluttered her eyelashes (I swear this is all true!) and patted the seat next to her provocatively. Now, I wasn't exactly inexperienced, but this was all new to me! I timidly did as she said and placed the bouquet down on the grand piece of furniture and turned to face her, feeling really nervous. Liza could obviously sense my anxiety because she giggled again and assured me that she wouldn't bite before standing up and brushing my arm with her fingertips. The thin hairs on my arms stood on end as goosebumps spread across my body and I felt a sudden twinge in my dick. That twinge quickly turned to a full on throbbing hard-on, however, as Liza elegantly reached up and dropped the thin straps of her negligee off her shoulders, causing the silky material to fall to the floor, revealing her beautiful body. And believe me, Liza's figure would give girls half her age a run for their money; full, round breasts, small waist and the sexiest arse I've seen, let alone fucked!

As she made her way towards me, I

## WELL OIL BE DAMNED!

Dear *Mayfair*,
I've never written in to you before, but having just spent the last hour or so gazing at the incredible Kerrie-Lee, her fantastic body completely complemented by a light covering of baby oil, I felt compelled to email to congratulate both your photographer and the girl herself for producing such an incredibly horny photospread! Generally speaking I'm more of a fan of natural boobs, because there's nothing worse than a bad boob-job, but when a model like Kerrie-Lee comes along with such a stupendous figure I'm more than happy to be a bit flexible on that front, and these pictures really do show her off to fantastic effect. The shots of her arse, firm and glistening, are out of this world, while the centrespread, in which she's stretched out, flawless from head to toe, is magnificent – perhaps we could have more oily shoots in the future, eh?
Paul, Grantham.

## SIBYL FAULTLESS

**Dear *Mayfair*,**
It's always great to see new faces in *Mayfair*, and this issue you didn't disappoint, with the gorgeous Nicole Snow and Sibyl, a girl who to my mind is somewhat reminiscent of an earlier age of *Mayfair* models. Maybe it's because she's got a touch of that 'girl next door' quality about her (although sadly I don't think I've ever lived next door to a girl as pretty as her), or maybe it was the combination of the lingerie and an old fashioned bush that wouldn't have looked out of place in the 80s or 90s (it's a bit too neat for the 70s, though!), but either way what really captivated me was the cheeky smile that made it all too clear that she was really enjoying her first shoot for *Mayfair*. All in all, the perfect combination of innocence and sophistication, which always puts a model in my good books.
Alan, Crewe.

gulped – I couldn't quite believe my luck! She wrapped her arms around my waist, pushing her voluptuous boobs into my chest and planted a light kiss on my lips. I was so nervous, I stood there like a twat! Taking the lead, Liza gently put my hand on her bumcheek and I tentatively slid my hand across her smooth, soft skin, making my cock even harder.

Suddenly, Liza reached down and deftly undid my flies, taking my engorged member in her delicate hand and started wanking me up and down, making my breath catch in my throat. A few seconds of that and I forgot any shyness I had. I kissed her hard as I grabbed her boobs, exploring her mouth with my tongue, eventually rolling one nipple between my thumb and forefinger. I noticed that her breathing had become ragged and she had begun to let out the occasional little mewling noise that was an incredible turn-on. Such a turn-on that I realised I was desperate for her to suck my dick.

Not one to be too direct, I gently kneaded the back of her neck while grinding my hips forward in such a way that it was pretty obvious what I wanted – at least to Liza, thank god, who dropped to her knees in front of me and wrapped her plump lips around my swollen helmet. I gasped as she licked and sucked the tip, then took my length further into her mouth, swallowing it to the back of her throat. It felt divine! Then she took my cock deep into her mouth, sucking expertly, while cupping my balls with one hand. Occasionally she would look up at me making eye contact, which was so gut wrenchingly sexy that I had to concentrate hard just so as not to blow my load there and then.

I could feel my balls begin to tighten when suddenly Liza released my cock from her mouth and stood up. Smiling seductively, she knelt on the plush velvet sofa and pushed her bum into the air.

I didn't need any more hint than that, and after kissing her lightly on the back (it seemed a bit rude just to get stuck in!), I positioned my prick at the entrance to her juicy pussy and pushed gently inside. She surprised me by immediately grinding back into me and virtually ordering to me to give her a "fucking good pounding"!

I wasn't going to argue so, grabbing her hips, I pulled my dick out and slammed my full length all the way inside her hard, relishing the yelp I heard as I filled her snatch entirely. I pulled out again and ploughed back in, paused then started rhythmically thrusting with vigour, my balls slapping against her bum with a pleasingly audible sound. I reached down to grab her breast, which was bouncing with every thrust, pinching her nipple hard, making her groan.

That seemed to do it for Liza and I felt her climax, her pussy muscles clenching tightly around my length as her body shuddered and she let out a long wail. The intensity of her orgasm had a knock-on effect and I felt myself starting to come too – my balls tightening as I shot my load deep inside her tight twat.

I've seen Liza regularly since then – pretty much every fortnight for the last four and a half years. It may sound quite bad to some, but it is purely sex and there are no feelings involved, but we're both on the same page. We both get satisfaction out of it and, as we are both single, consenting adults, what's the harm?

Of course, Liza doesn't know about Sue, Emily, Victoria or Mary, my other regular customers – but I consider discretion a big part of my job!
Alec, Tunbridge Wells

## YES TONIGHT, JOSEPHINE!

**Dear *Mayfair*,**
My wife Josephine prides herself on being a right dirty bitch and one particularly steamy night she surpassed all expectations. Josie and I had arranged to go for a drink with another couple, Jerry and his wife Tina, but an hour before we were due to meet Jerry phoned and cancelled. Apparently they'd had an argument and Tina had stormed out of the house. Josie was disappointed and phoned Jerry back. After some gentle, female persuasion, he agreed to meet the two of us for a drink at our local. This pleased my missus no end and I had my suspicions as to her intentions but decided to keep my mouth shut for the time being.

The three of us met at the pub and after a few drinks everyone relaxed, none more so than Josie, who was flirting outrageously with Jerry. I sensed Jerry felt uneasy with Josie's overt attention but once he'd realised that I was completely at ease with my wife behaving like a total tease, he relaxed and enjoyed the attention.

At closing time all three of us were pretty merry but Josie was keen to make a night of it and begged Jerry to come back to ours. I had a good idea what she was up to and so did Jerry who, despite the drink, was clearly quite nervous. I assured him that he was more than welcome to join us and eventually he agreed.

Back at our house Josie got comfy on the sofa next to Jerry whilst I went to fetch three drinks. I was fairly sure what to expect when I returned. Previously, Josie had described her fantasy of a threesome with me and another man, she'd even suggested that

# CHARLEY

**Age:** 29 **Vital Stats:** 34GG-25-34 5'7"
**Photographer:** BBM

You know that feeling when you know you've forgotten something, but can't remember what it is? Well the Ed had that all last year, and he's only just put his finger on what it was – put the delicious Charley Atwell in *Mayfair*! Somehow or other the entire Volume 52 went past and Charley's magnificent charlies didn't feature once! Now I know, we do have an abundance of lovelies all vying to appear in the mag, but there really is no excuse for that sort of thing and the Ed's given himself quite a slap on the (oddly muscular) wrist and vowed to put things right this year – starting with these pictures!

Jerry would be ideal as the other guy.

Sure enough, I walked into the lounge to find Josie straddled over Jerry with her tongue shoved firmly down his throat. Jerry saw me and tensed up but I assured him that everything was fine and as long as he felt comfortable he should continue to enjoy himself.

Jerry immediately took my words to heart and pulled Josie's top off, undid her bra, then groped her tits as they kissed passionately. I sat in the seat opposite and watched as my naughty wife clearly enjoyed the taste and feel of another man.

Josie undid Jerry's trousers and practically ripped them off his legs such was her enthusiasm. With him sat in the chair, naked from the waist down sporting a throbbing hard on, my cock-hungry wife took one greedy look at his man meat before eagerly forcing it into her mouth. Within seconds she'd built up a steady rhythm, her head bobbing up and down as she deep throated Jerry's thick rod. She always gave a good blow-job.

After a minute or so of serious sucking Josie stopped, much to Jerry's disappointment, and stripped naked, ordering me to do the same. On all fours

> SHE CRAWLED BACK TO JERRY AND SANK HER MOUTH BACK OVER HIS PULSATING PRICK.

Josie spread her legs and pointed her arse towards me. She crawled over to Jerry and sank her mouth back over his pulsating prick. At the same time she reached between her legs and fingered her glistening pussy knowing full well I'd be thrashing my cock at the sight of her.

Eventually Josie beckoned me over and sat me down next to Jerry. I was barely comfortable before she had my cock half way down her throat whilst pulling furiously at Jerry's stiff dick. She then swapped and wanked my cock whilst gobbling Jerry's.

Josie was in her element, loving every moment of being a cocksucking slapper and I have to admit she did look pretty amazing. With her mouth well and truly exploited, Josie wanted her pussy filled. She climbed on top of Jerry and, facing away from him, began to ride his fat pole. She moaned and squealed in delight, clearly enjoying his length and girth but she wanted more. Josie pulled me in front of her and placed her luscious lips over my bell end. She then proceeded to lick and suck my length whilst getting properly shafted from the other end. After a few minutes of roasting my missus Jerry screamed that he was about to come but Josie was having none of it.

"Don't you dare come inside me," she said, "I want to taste you; I want you all over my face."

◀ Continued from page 5

Jerry was only too keen to comply. Josie climbed off Jerry, pulled him to the edge of his seat and on all fours she started sucking him.

Not wanting to miss out, I knelt between Josie's legs and ploughed my tool into her sopping fanny. I then proceeded to fuck her from behind like I'd never fucked her before. Even with Jerry's cock in her mouth, the squealing and groaning noises Josie made were amazing.

Jerry could hold on no longer and with a final triumphant sigh he wanked stream after stream of hot spunk across Josie's face and into her gaping mouth. As he squeezed out the final few drops she eagerly took his cock in her mouth and sucked him dry.

"I want yours now you dirty fucker," she said turning round and reaching for my cock with her lips.

Josie played with my bollocks while working the shaft with her mouth and then took one of my balls between her lips and gently sucked while wanking my rigid cock. She knew that would do the trick and sure enough, was soon wanking my sticky muck all over her tongue, lips and face.

What a sight, my lovely wife's face covered in two loads of jism. Josie couldn't stop smiling, Jerry was sat there in disbelief and me, well, I was keen to arrange another threesome or foursome or five...

David, Nottingham.

## GOING SOFT?

Dear *Mayfair*,

I always look forward to receiving the next edition of *Mayfair* through the post but was a tad disappointed with the latest issue.

I notice this month there is one extra girl featured with 8 as opposed to the usual 7 but the same number of pages featured, hence some of the girls are featured less than usual. This is mainly due to the Nicole (5pgs) and Suzi (4pgs) features which are really short, although I suppose this is probably due to the very soft levels they are working to. From a personal perspective I love to see new girls featured like Nicole/Suzi but ONLY if they meet some minimum levels. It doesn't have to be necessarily open leg, but at least to Adele Taylor /Dannii Harwood levels.

Recent issues have had quite a few girls featured where in my opinion the levels are too soft for a magazine of this stature. I see Delia is being featured and so expect that to be of the soft variety as well, although of course would love to be surprised!

Duncan, via email.

**Thanks for your thoughts, Duncan. Yes - there were 8 girls last issues to accommodate a couple of softer sets. We always try and strike a balance between girls who work to softer levels and those who are happier to reveal a bit more, and we count on our readers to let us know what they think. We'll take your comments on board, and would love to know what others out there have to say on the subject, so please drop me a line on mayfair@paulraymond.com - The Ed.**

Allow us to introduce Georgie, a Scottish saucepot who somewhat inexplicable is making her *Mayfair* debut at the ripe old age of 33! Mind you, she's looking pretty fine on it – maybe all those deep fried mars bars and bottles of Buckfast aren't as unhealthy as we've been lead to believe!

"Not everybody in Scotland goes around drinking Bucky and eating deep fried mars bars, you know!" she protests. "In fact I'm pretty sure I've never had either. I don't go around saying that everyone from England scoffs scones all day and is permanently sloshed on gin, do I?"

No, fair enough, although as a description of the Ed, you wouldn't be too wide of the mark...

# SPIDER SENSE!

## Looking for a zippy roadster that's dripping with retro-class? Then how about this...?

The Fiat 124 Spider revives the storied nameplate, bringing its classic Italian styling and performance to a new generation. Paying homage to the original 124 Spider fifty years after its introduction, the 124 delivers the ultimate Italian roadster experience with driving excitement, technology and safety combined with iconic design. To cater for the mass market and not just those with deep pockets the 124 Spider is available in three trim levels: Classica, Lusso or, for performance enthusiasts, Abarth.

Designed at Centro Stile in Turin, Italy, the Fiat 124 Spider borrows cues from the original Spider – widely considered one of Fiat's most beautiful cars of all time – and reinterprets them for today. The 124 Spider has a timeless low-slung presence, with a classically beautiful bodyside, well-balanced proportions and a sporty cabin-to-hood ratio.

The Fiat 124 Spider is the most affordable turbo-powered convertible in the World, with a starting price of around £18,250. The roadster comes standard with the proven 1.4-litre MultiAir Turbo four-cylinder engine, the engine's first application in a rear-wheel-drive vehicle. The engine delivers best-in-class 160 horsepower and 184 lb.-ft. of torque on the Classica and Lusso models, and 164 horsepower and 184 lb.-ft. of torque on the Abarth, and is available with a six-speed manual transmission or a six-speed automatic transmission. There's no news quite yet on top speed or acceleration, but all three models are sure to be quick, with the Abarth threatening lightning pace.

The Spider's suspension uses a double-wishbone layout in front and a multi-link in the rear, specifically tuned for greater stability while braking and turning. Steering is light and responsive, with the use of an electric power assist (dual pinion) system. Noise vibration and harshness enhancements, including an acoustic front windshield and insulation treatments, also help to deliver a refined, quiet ride.

The 124 Spider Classica features a dual-tip exhaust, black roll bar finish, and body-colour header, side sills and door handles. The vehicle also comes standard with 16-inch alloy wheels, Nero premium cloth seats, halogen headlamps and LED tail lamps. Inside, soft-touch materials on the instrument panel are highlighted with light silver accents.

The Lusso model builds on the Classica, with standard 17-inch alloy wheels, silver-painted A-pillar header and roll-bar cover and dual-tip chrome exhaust. The interior features heated premium leather seats in Nero or Saddle and a leatherette-wrapped cluster brow. The lower instrument panel also is wrapped in leatherette, with Piano Black accents throughout.

The Fiat 124 Spider Abarth offers a sportier, more responsive driving experience for performance enthusiasts. Features include a front and rear Bilstein sport suspension, mechanical limited-slip differential, front strut tower bar, Sport Mode selector and sport-tuned chrome quad-tip exhaust with the world-renowned Abarth sound. Its aggressive appearance comes complete with unique front and rear fascia, 17-inch Gun Metal

**"STEERING IS LIGHT AND RESPONSIVE, WITH THE USE OF AN ELECTRIC POWER ASSIST (DUAL PINION) SYSTEM."**

aluminium wheels, Gun Metal exterior accents and an available hand-painted hood stripe, offering a one-of-a-kind appearance. Other available features include a Brembo braking system and Recaro seats for added sportiness.

Available with an array of safety and security features, including full LED adaptive front headlamps, Blind-spot Monitoring, Rear Cross Path detection and ParkView rear backup camera.

All three models are loaded with cracking technology and convenience features, including Keyless Enter 'n Go, Bluetooth connectivity, heated seats, available Bose premium nine-speaker audio system and FIAT Connect 7.0 with 7-inch touchscreen display.

OK, so we missed a trick by not putting the stunning Noel Monique in the Christmas issue so we could get a lame coverline out of it, but hey – as it happens we've only just had a chance to shoot her, and the thought of making you wait until next Christmas to check her out seemed a bit unfair because… well, because just look at her! But does she know her name's a flipped version of 1980s Playmate Monique Noel?

"Yes, I found that out the other day – but I reckon it's pretty cool, don't you?"

Hello, what's going on here – it looks like Lucy's our third Mayfair debutante of the issue, and we're only four girls in! Still, when she rocked up for this shoot and revealed her stunning lingerie we knew we had to get her in the mag asap, and so here she is! Word has it she got into modelling 'cos she fancied the travelling, and she's been chalking up the air miles in fine style since then...

Two blokes were in the pub having a chat when Bill said to John, "I'm off on my holidays next week."

John replies, "Nice one mate, can you do me a favour and bring me back 200 fags, please? I'll sort you out with the dosh when you get back."

"No problem," says Bill.

A couple of weeks pass and Bill returns from his holiday and meets John in the pub.

"So did you have a nice holiday?" asks John.

"Yeah, it was brilliant, thanks," replies Bill, "I've got your fags in the car."

"Nice one, how much do I owe you," asks John.

"£85 please," says Bill.

"£85?! Fucking hell, that's expensive for 200 fags, where did you go?" asks John.

Bill replies, "Bognor."

One day a man tried to get a job at a great company. He passed every test with flying colours. At the final interview stage, the manager takes him to one side and tells him that his constant winking might bother customers.

"I can fix that with some Aspirin," the candidate replies. "I'll just take some and I'll be better in a few seconds."

So, he reaches into his pocket and pulls condom after condom out until he eventually finds the Aspirin. He takes it and his winking stops almost straight away.

The manager says, "Well, we certainly don't approve of womanising in this company!"

"Oh, no! It's not like that," the candidate responds.

"Have you ever tried to ask a chemist for aspirin while you're winking?"

"I'd like to book a bike tour through England for a group of girls who love cobblestones."

The old man yells, "HE SAYS YOU WERE SPEEDING."

The copper says, "May I see your licence?"

The woman turns to her husband and asks, "What did he say?"

The old man yells, "HE WANTS TO SEE YOUR LICENCE."

The woman gives him her licence and then the policeman says, "I see you're from Weymouth. I spent some time there once. In fact it was there I had the worst sex with a woman I have ever had."

The woman turns to her husband and asks, "What did he say?"

A man is stranded on a desert island, all alone for ten years. One day a gorgeous woman wearing a wet suit arrives on the island. She comes up to the chap and says, "How long has it been since you had a cigarette?"

"Ten years!" he answers. So she reaches over, unzips the waterproof pocket on her left sleeve and pulls out a pack of fresh cigarettes. He takes one, lights it, takes a long drag and says, "Man, oh man! Is that good!"

Then she asks, "How long has it been since you had a whiskey?"

He replies, "Well, that's been ten years, too!"

She reaches over, unzips her waterproof pocket on the right, pulls out a bottle of malt whisky and gives it to him. He takes a long swallow and says, "Wow, that is fantastic!"

Then she starts unzipping the long zipper that runs down the front of her wet suit and she says to him, "And how long has it been since you had some real fun?"

And the man replies, "Wow! Don't tell me you've got some golf clubs in there!"

One day, God and Adam were walking in the Garden of Eden. God told Adam that it was time to populate the world. "Adam," he said, "you can start by kissing Eve."

"What's a kiss?" asked Adam.

God explained and then Adam took Eve behind a bush and kissed her. Adam returned with a big smile on his face and said, "Lord, that was great! What's next?"

"Now you must caress Eve."

"What's caress?" asked Adam. God explained and then Adam took Eve behind a bush and lovingly caressed her. Adam returned with a bigger smile and said, "Lord, that was even better than a kiss! What's next?"

"Here is what gets the deed done. Now I want you to make love to Eve."

"What is make love?" asked Adam.

God explained and then Adam, hardly believing his luck, took Eve behind the bush. A few seconds later, Adam returned and asked, "Lord, what is a headache?"

**Age:** 32 **Vital Stats:** 34B-22-34 5' 5"
**Photographer:** Tammy Sands

Well here's another sizzling hot babe who hasn't graced the pages of *Mayfair* for far, far too long, so we're sure you'll all be happy to extend a trembling hand of welcome back to the stunning Kayden Kross! So what has she been up to since our paths last crossed?

"Oh, all sorts of things! I don't really know where to start, but I'm a lot more grown-up now, although I like to think I've kept in shape pretty well..."

Hmm, talk about understatement – you still look utterly sensational from head to toe!

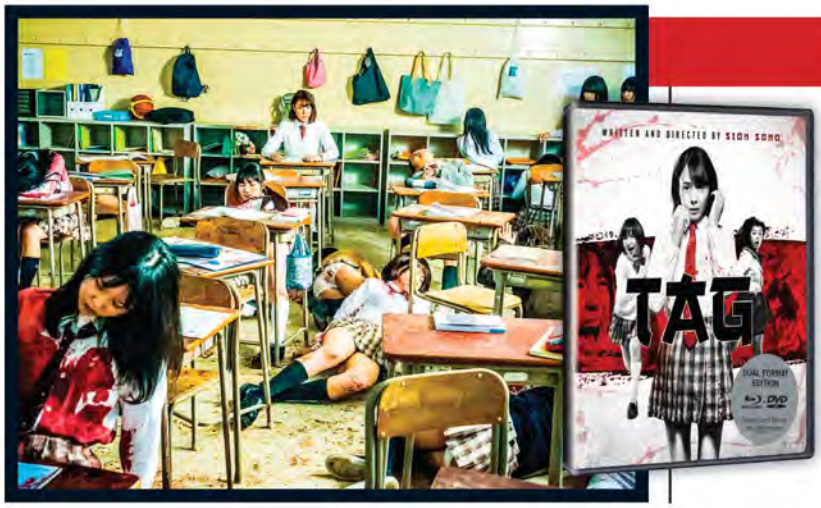
We were supposed to have sexy androids by now that need clipping now and then, but it seems that future's been postponed for another 30 years or so. Still, hang on in there, eh?

## BLADE RUNNER 2049

People tend to forget than when the original *Blade Runner* came out in 1982 it underperformed at the box office, and only later became a cult hit that was eventually acknowledged as something of a masterpiece, so perhaps it's little wonder that its rather overdue sequel didn't exactly pack out the multiplexes either – if you're going to make a sequel that's true to the spirit of the original, it seems only fitting. This time round the blade runner in question is played by Ryan Gosling, back in more familiar blank-eyed territory than he found himself in in *La-La Land*. He's busy 'retiring' replicants but wait, what's this – have some managed to reproduce? This leads him into a (very tangled) web as he seeks the truth, tracking down Harrison Ford's Deckard along the way. It's long and complicated but ravishingly shot, and merits more than the one viewing. No Vangelis score this time, but a future classic like its forebear, I suspect…



## TAG

Japanese cinema throws up a regular bonkers offering, but it's been a while since we last featured one in *Mayfair* so let's put that right without further ado! Filmmaker Sion Sono's clearly following in the tradition of Takashi Miike and co, having already given us the loopy *Tokyo Tribe*, and if anything he's gone one better this time round, with a film that sees a sailor-suited schoolgirl (yes, they tend to crop up a good bit in this type of thing) called Mitsuko (Reina Trendl) somehow surviving some sort of supernatural cataclysm that does for all her classmates in one fell swoop. In doing so she slips into some sort of alternative reality in which she faces one increasingly bloodthirsty trial after another in her bid to survive. As a collection of eye-popping set pieces it certainly takes some beating, and is probably unlike anything else you've ever seen, unless you're an aficionado of this sort of thing.

## THE TUNNEL: VENGEANCE

When *The Tunnel* first aired a few years back it was hard not to think it was just an anglophone knock-off of *The Bridge* for those with an aversion to subtitles and/or Scandi Noir fatigue, but then it quickly established an identity of its own, with the relationship between British cop Karl Roebuck (*Game of Thrones*'s Stephen Dillane) and his French counterpart Elisse Wassermann (Clémence Poésy) striking quite a different tone to that between the spectrumy Saga Noren and her various Danish partners. This final series, set after the Brexit vote which puts a brand new strain on the Anglo-French alliance, sees the pair investigating an abandoned boat in the middle of the channel, but it's not just the misdeeds of the criminals that lead to a nasty fallout for all concerned…

Ah, it's time for another newbie, and this one hails all the way from, er, London! So from the greatest city in the world to the greatest top shelf magazine – that's a pretty good journey!

"Ha, well I guess so, although I'm not entirely sure I'd call London the greatest city in the world. I was over in New York a little while ago and I have to say, that takes some beating!"

Yes, the Big Apple's alright if you like that sort of thing, but we reckon London just shades it, if for no other reason than you live there!

**Summer seems a long way away, doesn't it? Mind you, not as far away as a certain galaxy, that was also a long time ago but nevertheless contained - thankfully - some familiar-faced fornicatrixes.**

Harmony

## YOUNG HARLOTS SUMMER CAMP

★★★★★

**CAST:** Stella Cox, Elle Rose, Kira Queen, Francesca Di Caprio, Katana, Mary Kailsy.

Summer still feels a long way off that this time of year, so it's nice to be able to remind yourself what it's like, whether by flicking through a holiday brochure to ogle all the women sprawled beside countless Mediterranean pools or, if you want something a bit less, erm, implicit, watching a bongo flick set in the sunny season! And once you've settled on that course of action, then here's a good place to start – at Harmony's ever-popular (happy) finishing school for cock-mad strumpets. We meet the girls as they gambol in the sun, their tiny G-strings failing miserably to cover up their curvy bums, and then it's on with the action when one of the teachers catches Elle pleasuring herself with a magic wand. He quickly replaces it with his own wand and we're away! Over the course of the next 100 minutes or so staff and students get up to all the customary jiggery-pokery (especially the latter), with cracking scenes from Oriental cock-jocky Katana and a blistering finale which sees Kira and Francesca taking a dicking and a half from their jammy beau. Plenty of bum fun along the way too, for those who like that sort of thing. **Available from your local sex shop.**

## STAR WARS: THE LAST TEMPTATION

**CAST:** Adriana Chechik, Lilly Labeau, Georgie Lyall.

Another product from the Star Wars franchise means it's high time for another porno parody, although you can't help feeling they were so eager to be quick out of the traps that this film was shot before anyone had actually seen the official one. In any event, any film with Adriana Chechik in is worth a squizz – and she's up and running fast, noshing off Kylo Ren's meat sabre for all she's worth before he splashes off all over her mush. Oh, hang on though - he's just a projection and not real at all. She's not going to make a very good Jedi, is she? Our very own Georgie Lyall pops up next, massaging the monster prick of a fellow resistance fighter and winding up riding him in a very satisfactory looking interracial reverse cowgirl. A bit of girl/girl loving between Adriana and Lily gives everyone the chance to catch their breath before Ms Chechik takes on three cocksmen at once, proving beyond any doubt whatsoever that the Force is very strong with her indeed! Same for Erik Everhard, as he proves with Lily in a creditable closer.

Wicked Pictures

## AXEL BRAUN'S BUSH

**CAST:** Karlee Grey, Avi Love, Ella Nova, Leigh Raven, Maya Kendrick.

No, wait – come back! I'll admit it, the thought of settling down to watch a film all about Axel Braun's bush didn't appeal to me, either, but thankfully the director's bush isn't a feature of this flick at all. No, the bush on show belongs to a selection of comely flampers, and will, I dare say, be of some interest to any of our readers who can remember the days when girls all had plenty of grass on the pitch. Certainly Karlee's track is so well covered it'd be more suited to rugby than cricket, and she gives her hairy muff a shake before teaming up with her stud, first for a BJ and then for some cracking cowgirl. The scene concludes with him spuffing all over her nadger and then teasing out a squirt from the girl herself.

★★★★☆

Avi's mivvi's in no danger of being mistaken for Kojak (with a splitting headache) either, and gets a damn good poking before it too is drizzled in nut-butter, which is clearly a theme with this flick, because Ella's thatch gets the same treatment, as does heavily tattoed Leigh, who despite her cropped hairdo is a fully signed-up member of the Muff-ty Club. Maya completes the set, grabbing her (not so-)short and curlies as her fella slams away. Old school fun for furry fanny fans!

Curvy Carla Howe's quite the international playgirl these days, jetting off all over the place for shoots, so we were pretty chuffed she managed to fit us in on one of her recent trips hope to Blighty. But what does she miss most from home when she's away, we wondered...?

"Oh, loads of things! For example I hardly ever go to the chippie when I'm in England, but when I'm away I just seem to crave fish and chips all the time!"

Well it goes to show – there really is no plaice like home!

# QUEST...

**Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!**

Name: GRACE
Age: 24
From: LONDON

Call me boring, but there's nothing I enjoy more than spending a Saturday afternoon wandering around a museum. Maybe that's why I've been single for the last 3 years! When I say single I don't mean celibate, however, and I've noticed recently that actually they can be a haven for hot men! In the last month alone I've been chatted up four times while browsing exhibits – and two of those propositions I've accepted!

I'd never even considered meeting a man when wandering round, which is maybe why the first time it happened, it came as such a surprise. I met Darren one rainy Saturday when I'd actually gone shopping for a new pair of shoes but hadn't found any and, as I was in Covent Garden, I decided to cheer myself up by popping into the London Film Museum. I'm a huge James Bond geek and they have a long running Bond exhibition on, so I was really looking forward to it.

I was stood in front of the Aston Martin DB5 exhibit with my gob open like an idiot, when I heard a voice next to me, "It's beautiful, isn't it?" I nodded and was about to agree, when I caught sight of the owner of the voice. He was stunning! Taller than me, with dark brown hair and the biggest brown eyes I had ever seen! I felt myself swoon – a term I had never really understood until that moment.

He introduced himself and I managed to croak my own name out in response. My heart was going like the clappers and I seemed to have suddenly lost the ability to even think clearly! He grinned at me and I didn't take in a single word – all I could think was how beautiful that smile was.

Darren made a couple of Bond movie puns – to which I giggled inanely, like a schoolgirl, much to my on dismay – before swiftly as king me if I fancied grabbing a cup of coffee in the bar next door. I agreed quickly – maybe a bit too quickly, I later wondered to myself. But in any case, ten minutes later, I was sat opposite him with a steaming mocha in front of me.

We got on well; there was a definite chemistry there, so when he asked me back to his place, I didn't hesitate for long. It turned out he lived just around the corner, in a flat above a newsagent. It was cosy enough, but as it was on a main road, the noise would've driven me mad. Not that I was particularly listening to it – especially when Darren shoved his tongue down my throat and started groping my buttocks through my jeans.

Being almost manhandled in such a manner was a huge turn on (the men I'd been with previously weren't exactly forthcoming) and I found myself wrapping my arms around his neck and virtually devouring him. He snogged me roughly; hands all over my body, making me feel incredibly desirable. Groping my boobs and working his way down, I felt him undo my jeans and push them down slowly past my bum and to my thighs, my knickers following shortly afterwards. I moaned, enjoying him taking charge and pulling my legs from the material so I was stood there half naked.

He let out a noise – almost like a growl – and grabbed me around the waist, pulling me towards him and pushing his growing bulge into my bare pussy. This turned me on even more and I whispered for him to fuck me.

He unzipped his fly, releasing his cock and rubbed it against my bare thighs. I moaned gently, pushing my hips forward to encourage him, and soon his fat cock, smeared with pre-come, was nudging at my pussy lips, slipping around as he probed to find my tight entrance. Wrapping a great swathe of hair around his fist, he pulled my head back to expose my neck and kissed it as his member pressed urgently against my dripping hole.

> HE PUSHED UPWARDS, HIS HELMET BREACHING MY HOLE, MY CLIT TINGLING WITH PLEASURE.

My legs trembled as he nibbled along my jawline, his hands on my buttcheeks, pulling them apart as he pushed upwards, his helmet finally breaching my tight hole, my clit tingling with pleasure as his thick length slid inside, slowly and deliberately, savouring every moment. Then he was all

the way in, his pubis slapping against my swollen nub, and he took my earlobe between his teeth as he grunted his satisfaction wetly into my ear.

"Is that good?" he asked, as he ground his engorged member in my tight snatch, massaging his prick with the tight contractions of my pussy walls. The root of his cock worked my clit as he gyrated against me, and I let out a sigh of pleasure as my pussy tightened and pulsed around his shaft.

I rocked my bottom upwards and backwards, my pussy releasing him until my swollen lips were just kissing the tip, then I bent my knees and slowly ground back down, smearing his dick with my creamy fluids, before I jerked forward again, my pelvis squeezing his cock, moaning rhythmically as I built up a steady pace.

He started to jab his pelvis up to meet my pussy's downwards thrust; quick, violent motions that made our bodies slap against each other and had my muscles twitching around his straining length. His thrusts shook my whole body and as he pummelled into me, I felt an orgasm welling up. He obviously felt it happening, because he pinned both my arms against the wall and fucked me hard, his balls slapping against me as I wrapped a leg around his back and climaxed intensely. I bit his shoulder to stop myself from crying out, so strong was the pleasure.

The ecstasy subsiding, I told him I wanted his spunk inside me, and he grunted as he rhythmically jerked up into me again. Holding my hips, he bounced me on his straining tool and, as his dick swelled inside me, he suddenly came, spurting his cream deep inside me.

I stayed for a couple of hours and we drank coffee before fucking again – on the bed this time – but I never saw Darren again. I took it for what it was, a great shag on a rainy Saturday afternoon. It filled a hole (excuse the pun) and besides, I'd never want to have a relationship with someone that would invite a girl home after having met her for a few minutes!

Next time, I'll write in and tell you about the second encounter I had last month; let's just say it concluded with me getting a face full of jizz in a well-known museum's toilet!

## "HIS THRUSTS SHOOK MY WHOLE BUSY AS HE PUMMELLED INTO ME."

My boyfriend Joe was always nagging me about wanting a threesome with another girl so I set him the task of setting it up. Unfortunately, though we had many horny conversations about it, he was crap at making it happen. So with his birthday fast approaching and being short of ideas for presents I decided to take matters into my own hands and give him his wish, well at least a taste of it.

I got onto the net and started looking at some adult contact sites, looking for a girl who might be up for some fun and made contact with a girl calling herself Cindy who lived about an hour away. We exchanged a few emails to get to know a bit about each other and she sounded fun. I was pretty turned-on each time we exchanged e-mails but actually arranging to visit seemed another step altogether.

Once we actually got on to the details of when and where we might meet I came clean and told her I was thinking of arranging something as a birthday treat for Joe and would she be up for it. She emailed back that she was really turned-on by the thought of keeping me all to herself, especially when I confided that this would be my first time with a woman. She then suggested that I travel to see her and we video the whole thing and I give Joe the film as his present, pointing out how much fun I could have reliving it on his birthday. She went on to tell me all the dirty things she intended to do to me and what a horny film it would make and how she couldn't wait to see me coming like a porn star on screen. The whole thing seemed bloody scary but too good an opportunity to pass up, so the following weekend I made up some story to Joe about going on a girly shopping trip when really I was going to visit Cindy.

When Joe's actual birthday morning arrived I handed him two early presents in the bedroom. First some horny underwear for myself, which I slipped in to as soon as he had opened them before lying back on the bed and handing him a wrapped DVD. Joe had some idea of what the content might be as he slipped it into the player, but had no idea about the identity of the sexy stars. The first clue he got was a close up of a sexy girl's breasts and pussy wearing exactly the same skimpy knickers I was laying next to him in. The camera then panned out to show me, laying

there running my hands over my body, my breasts and slipping them inside my knickers and opening my legs for the camera.

**"I WAS RELIVING ONE OF THE BEST FUCKS OF MY LIFE WHILE FEELING JOE SLIP HIS FINGERS INTO MY PUSSY..."**

He was just beginning to respond when he commented that he didn't recognise the room I was in. At this point he thought I had just taped myself doing a little strip and wanking show for him. Before I could say anything he was completely caught out by the appearance of an extremely horny stranger with long dark hair, huge tits and wearing only a skimpy thong. He was amazed and stopped speaking as the reality of what was happening became clear.

He then rolled over and started to stroke me while staring at the screen. I was very turned-on by now, enjoying reliving one of the best fucks of my life while feeling Joe slip his fingers into my juicy pussy and watch him pull back the duvet to reveal a massive hard on. I repositioned myself so that I could get Joe's cock in my mouth while still being able to see the screen.

Joe got very horny, telling me what a filthy little cow I was for keeping this girl all to myself then shut up as he watched her slowly take of my bra and start to massage my tits. Cindy then bent down and started to gently kiss them one at a time while pinching the nipple of the other.

From the noises on the screen this was clearly turning me on as she then slowly ran her hand down my belly and eased off my panties to reveal a very neatly trimmed little bush, much more radical than my normal style. Joe then remembered my recent change of style but it was only now that I stopped sucking him off for a moment to describe the feeling of lying completely open while another girl shaved my cunt for him. As I resumed sucking him, Cindy moved down the bed to start licking between my legs, inside my thighs at first then moving up to my cunny and after licking my slit a few times and spreading the growing moisture she latched on to my clit and starting circling and nibbling it.

The sight of watching her lick me out was clearly getting to him but not as much as what he saw next. Even knowing I had fantasised about fucking another woman he was still surprised by my boldness as I rolled Cindy on to her back and climbed in to a 69 position. The sight of me taking my first taste of another girl's sex was too much for Joe and he shot a massive jet of come into my mouth and over my tits as I stood up.

> "AFTER LICKING MY SLIT A FEW TIMES SHE LATCHED ON TO MY CLIT AND STARTED CIRCLING AND NIBBLING IT."

After this he just lay back and enjoyed the show as I took off my undies and pushed a couple of fingers into my soaking fanny. Joe watched as after a few more minutes' mutual pussy licking, Cindy took the next move and picked up a massive dildo from a draw and pushed it inside me. I was now unable to concentrate on her and at her orders lay back to take the fucking of my life. She fucked me with increasing intensity until I was begging her to do it harder and faster and just make me come. It was also clear that the sighs and sounds from

the telly were turning Joe on once again, especially when he saw Cindy remove the dildo before jamming three fingers into my hole. She immediately removed them and used my own juices to soften up my arse before shoving the dildo back into my snizz. She did this at the same time as slowly pushing a finger into my bum, and I came with one of the biggest rushes of my life. Despite the intensity of this orgasm Cindy was clearly not finished with me yet and produced a massive strap on. Telling me to get onto my knees, she then proceeded to fuck me doggy style as I looked directly into the camera showing everything sensation I was experiencing on my sexually sated and ecstatic porn star face.

By this time Joe was hard again and proceeded to mimic the film as he rolled me over and started to fuck me hard from behind as we both stared at the disgustingly horny image on the screen in front of us. As the 'me' on the screen thundered to another intense round of coming, so did Joe and

> TELLING ME TO GET ONTO MY KNEES, SHE THEN PROCEEDED TO FUCK ME DOGGY-STYLE…

he unloaded another bolt of come into me. We continued to watch the last few minutes of the disc, only to see that Cindy had edited out all the following bits of me making her come and replaced them with a scene of her lying naked and open and fucking herself with the dildo while wishing Joe a happy birthday and telling him that he wasn't to miss all the fun and he would have to wait to see how I had learnt very quickly how to pleasure a girl for real when we both came to stay soon. I then whispered to him that I had already fixed a date before kissing him and wishing him a happy birthday.

## *Personal Details*

AGE: *21*
VITAL STATISTICS:
*41D-28-37*
SECOND PROFESSION:
*Full-time model*
HOME TOWN:
*King's Lynn*

So what's new in Veronica's life?
*Lots of modelling work at the moment. I seem to be spending most of my time undressed these days, and I think I'm starting to forget what it feels like to be clothed!*

Sounds damn good to us.
*But what if it gets really bad and I walk the streets totally naked?*

You'll start a whole new fashion trend called the Veronica look!
*I like the sound of that. Still, if we all walked around starkers nothing would ever get done. We'd all be too busy 'doing it'! A friend of mine said that if the end of the world was announced we'd all be bonking in the streets. Trouble is, you wouldn't have enough time to have sex with everybody you wanted. I think I'll get a head start!*

# MAYFAIR Classic

What a lovely reminder of one of *Mayfair*'s stalwarts of yesteryear, the stunning Veronica Zemanova from a full 20 years ago. 20 years has clearly seen a bit of a change in the business of top shelf magazine publishing – for starters we'd be hard pushed with trying to convince our readers that Vron came from King's Lynn! Umm, sorry to shatter any illusions if any of you have been hanging around in Norfolk all these years hoping to bump into her.

## Vol.53 No.3

On Sale March 7th

There comes a time in life when you think you ought to start acting like a grown-up, when the thought of stunning young women taking their clothes off for you doesn't seem quite so important as it used to be, and when your thoughts turn to more loftier things. Hell, you probably wouldn't mind never seeing another naked beauty again! At least that's what I've been told, but I'm jiggered if I'm anywhere near that stage myself! No – I can't get enough of them, and if you've got a bit of lead in your pencil you'll feel the same, so look out for Sam and Olivia next month!
